Ecuador: Pro-Communists have been appointed to key security posts in the Velasco government.

The new chief of the civilian security directorate, which is equivalent to the Federal Bureau of Investigation, has a long record of terrorist and Communist activity. The proposed deputy chief of the national police intelligence unit has twice been expelled from the police force for Communist activity.

25X1

In his personalistic exercise of power, Velasco rates the supposed loyalty of his subordinates above any other qualifying factor. The President's moves since taking office on 1 September indicate a repetition of the [redacted] that led to his ouster from the presidency on three previous occasions. [redacted]
